COVID 19 FAQs regarding INTELLECTUAL PROPERTY in Peru

What is the effect of the rules that have declared the state of health emergency in the processes related to elements of industrial property (trademarks, patents or copyrights) processed before Indecopi?

According to Article 28 of D.U. 029-2020, the deadlines in all proceedings have been suspended for 30 working days from Monday, March 23 to Wednesday, May 6. Consequently, the deadline count is reactivated on Thursday, 7 May 2020, unless there is a rule extending the suspension.
